## **From the President:**

Meetings Continue!

Guild Members Will meet in November and December. Things have changed and there **Will Be** a meeting of the membership as usual in November and December. Continue to send Sue Chrysler your Show and Tell so we can see and enjoy your accomplishments

The Board has no current plan to meet in person in the beginning of 2021. We do anticipate being able to safely meet in person sometime next year. But for now the Zoom meetings will continue into 2021. Donna Bracewell has great ideas that we can do while we visit on Zoom.

Plus we need to get started with planning 2021! We plan virtual presentations and workshops. I'm super excited that Krista Moser will give a workshop through Zoom. More to follow.

If you have a favorite quilting skill, share it with everyone by giving a presentation. Or lead a workshop through the BBQG Zoom account. Do you have a favorite block that you can share how to make in a workshop? Think about what you can share with everyone. Contact me by email [denisemackan@gmail.com](mailto:denisemackan@gmail.com) and tell me what you are thinking.

With our "new normal" provided by Zoom we can continue to get together and visit.

Denise

## **And the President Elect...**

Hi BBQG members,

I just wanted to touch base with you, and let you know the board is still connecting and discussing ideas for our guild moving forward. The pandemic has kept many of you from meeting in person, but there are still plenty of ways to connect with each other, and we will be discussing some of them at our November Zoom meeting.

Also, several of the BBQG bees have worked out ways to meet and still social distance; and several of them are open for new members. If you want to visit as a guest to see if it is a fit for you, you are welcome to do just that. I've talked to bee leaders, and if you are uncomfortable or unable to meet in person, several groups will have kits available to complete and return.

Please join us on Zoom meetings the second Tuesday of the month at 7pm to find out about even more opportunities to enjoy quilting with other members of the guild safely! If you do not receive an email in time (We've found sometimes emails are delayed from GroupWorks), you can also find the login ON GroupWorks the day of the meeting.

Thanks,

Donna Bracewell  
President Elect BBQG
